Hi Jill,

Why is this tent set-up at the driving range?

Hello So Kim,

I don't not recall hearing about an approved conditional use permit for a pop up structure that has been in place for over a week and is conducting business in a protected habitat area in violation of the Local Coastal Plan for Rancho Palos Verdes.

Please instruct the golf course that this structure is not allowed and they cannot circumvent the Coastal Commission rules, apparently the city does not care.

Best regards,
Chris Pisano
